

**GRADUATE STUDENT
TUITION CONTRACT APPLICATION
HUMAN RESOURCES DEVELOPMENT
MASTERS CANDIDATES**

The McDaniel College tuition contract is an agreement between McDaniel College and the student to pay a contracted sum over an extended period. This is an alternative to making a full payment at the beginning of each semester. Each contract is subject to approval by the College.

Here are some frequently asked questions and answers about the tuition contract program:

What is the billing process?

Simply submit the contract with your first month's payment. Subsequently, return the appropriate card with each monthly payment. Your canceled checks will serve as receipts. It is the responsibility of the contractee to remit payments when due accompanied by the furnished coupons.

What happens if payment is late?

A late fee of \$25 will be charged for processing the payment. If any two payments are not met when due, the College will cancel the contract. The total amount still due on the tuition contract for the semester will be charged to the student's account and due immediately. The student will be administratively dismissed from school if the bill is not paid in full within five days.
