Rosa Clemente

CELEBRATE

For over 15 years, Rosa Clemente has been a community organizer and activist, and a featured keynote speaker, panelist, and political commentator across the United States. In 1995, she developed Know Thy Self Productions, which has since produced four major community activism tours and consults on issues such as hip-hop activism, media justice, voter engagement among youth of color, third party politics, intercultural relations between African Americans and Latinos, immigrants' rights as an extension of human rights, and universal health care. Clemente goes beyond imposed identities, politics, and borders, and delivers an empowered keynote speech detailing Latino influence on American life today and in the future.
