Coach Becky Martin's Green Terror Women's Basketball Shooting Camp

This 3 day camp has been developed for girls attending grades 4th-12th. The program is designed to improve the participant's individual ability to score. The instruction will cover basic fundamental shooting principles and build to sequence moves both from the perimeter and in the paint. Players will learn how to read and counter the defense. Participants will be grouped according to skill level. Through individual instruction, drills, 2 and 3-person play and games, campers will experience motivational instruction and learn how to become a more effective scorer and team player.
