

ODYSSEY VIDEO PRODUCTIONS

Presents

McDANIEL COLLEGE Graduation Video

On May 23, 2009 the Graduates of McDaniel College reach one of the milestones of their lives. McDaniel College has chosen Odyssey Video Productions, a nationally recognized company for over fifteen years to videotape all the excitement of their day. We start with the outside procession (weather permitting) from Baker Memorial Chapel which is a highlight for the graduates before they proceed inside for the formal ceremony in Gill Center. McDaniel College provides us with the optimum positions for videotaping; therefore, we are able to capture the personality and pride of each graduate as they walk across the stage to receive their degree. For your graduate to see not only themselves but their friends is a treasured memory to preserve. Through your videotape you will relive this day with family and friends now and throughout future years. So relax, enjoy the day and leave the taping to us.

You may place your order by mailing the Order Form attached below. Please respond by May 17, 2009. Your completed videotape will be mailed to you on or about June 30, 2009.

Odyssey Video Productions, (410) 876-6312
