

Presenters

Alva “Buzz” Baker, M.D. is the Director of the Center for the Study of Aging at McDaniel College and an adjunct professor at the college.

Diane Martin, Ph.D. is the Academic Director of the Center for the Study of Aging at McDaniel College and an Assistant Professor at the college.

Credits

McDaniel College is an authorized sponsor of Category I Continuing Education credits for social workers in Maryland.

This conference meets the Category I requirement- Formally Organized Learning Activity- outlined by the State of Maryland Board of Social Work Examiners. Upon completion of this activity, Social Work participants will receive **3 category I continuing education credits.**

Directory

The Center of the Study of Aging (CSA) at McDaniel College produces a monthly e-newsletter containing upcoming CSA events and age-related news items. If you would like to be added to our email list, please check

the appropriate box when completing the registration form or contact Larry Hoffman at lhoffman@mcdaniel.edu

Registration

Pre-registration is required. Fee: \$55 prior to July 1st and \$65 after July 1st. Fee includes all instructional materials, certificate, and refreshments.

No refunds for cancellations received after June 10, 2009

For more information about the CSA at McDaniel College and directions to the campus, visit our website at www.mcdaniel.edu/csa

Please register early, as space is limited.

Target Audience

This workshop has been designed to meet the continuing education training requirement for Social Workers in the State of Maryland. However, it is appropriate for anyone working with older adults.

Social Work Conference

Physical and Mental Health Concerns of the Older Adult

**Tuesday, July 7, 2009
12:00 pm- 4:15pm**

**McDaniel College
Academic Hall
Room 300**

Presented by:
The Center for the Study of Aging at McDaniel College

Support for The Center for the Study of Aging comes from the Jessie Ball duPont Fund.

Objectives

Upon completion of this program, participants will be able to:

- Understand the prevalence mental illness in the older population and co-existing conditions that can impact the mental health of an older person,
- understand ethnic and cultural effects on mental health,
- discuss the leading mental health concerns in older adults (e.g., anxiety, memory impairment, mood disorders, and addictions),
- discuss resources and referrals for older adults with mental health concerns,
- discuss factors that promote mental health in the aging adult,
- delineate aging processes and the process of aging,
- define normal aging, and
- discuss the interaction of aging and disease.
