June 9, 2009

June 16, 2009

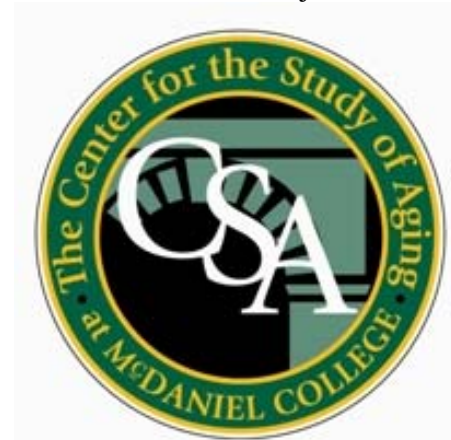

June 23, 2009

June 30, 2009

July 7, 2009

McDaniel College

Presented by:

Support for The Center for the Study of Aging comes from the Jessie Ball duPont Fund.

Target Audience

This program is designed specifically for individuals who do not have a high school diploma or equivalent. These individuals should be caring for older adults, employed by an establishment frequented by older adults, or have a desire to do one or the other.

Objectives

The program is aimed at:

- Reducing staff turn-over.
- Improving attitudes toward the older population.
- Improving employee morale and compassion toward elders.
- Improve communication between service-related employees and older adults.
- Improving understanding of the physical, cognitive, and emotional challenges of aging.

Registration

Non-refundable enrollment fee \$10

Pre-registration is required. Fee: \$75 Fee includes all instructional materials and certificate of completion.

Registrants can return this completed form or complete form online at www.mcdaniel.edu/csa.

No refunds for cancellations received after May 25, 2009
