

Presenters

Alva “Buzz” Baker, M.D. is the Director of the Center for the Study of Aging at McDaniel College and an adjunct professor at the college.

Diane Martin, Ph.D. is the Academic Director of the Center for the Study of Aging at McDaniel College and a visiting Assistant Professor of Gerontology at the college.

Credits

No college credit will be earned nor can this program be transferred to any program of study at McDaniel College.

Directory

The Center of the Study of Aging (CSA) at McDaniel College produces a monthly e-newsletter containing upcoming CSA events and age-related news items. If you would like to be added to our email list, please check the appropriate box when completing the registration form or contact Larry Hoffman at lhoffman@mcdaniel.edu

Target Audience

This program is specifically designed for individuals with a high school education or equivalent, with an associate’s degree or credits towards such a degree and/or individuals with earned credits towards a Bachelor’s degree.

Description

Through a series of six 3-hour workshops (total completion time 18 hours), participants will gain professional and personal knowledge regarding the process of aging from a bio-psycho-social perspective.
