Financial Aid Office
2015-2016 Request to Increase Cost of Attendance

Student Name: ____________________________________________________________

Student ID#: ___________________________             Phone Number: __________________________

Financial aid administrators have the authority to increase the Cost of Attendance (also known as student
budget) to allow for unusual expenses the student will incur during the academic year. Please note:
Budget increases typically only allow the student or parent to borrow more loans. From the following,
check all that apply:

☐  Actual tuition charges above the amount allotted in the financial and budget/cost of attendance:

Fall enrollment____________    Fall tuition charges ______________
Spring enrollment____________    Spring tuition charges____________

☐  Health Insurance purchased through McDaniel College:
Cost __________________________

☐  Daycare expenses for dependents: Student budgets can be increased for daycare expenses
incurred during the academic year. Attach copy of daycare contract or letter from daycare provider
indicating the cost for the academic year.

☐  Books/Supplies: A total of 1,200 is budgeted for book and supplies during the academic year for
students enrolled full time in both the fall and spring semesters. Student budgets can be increased
for required books and supplies over this amount. Submit receipts for semester charges or letter
from professor regarding required supplies.

☐  Other expenses: Student budgets can also be increased if there are other unusual education
related expenses the student will incur during the academic year. Attach documentation of
expenses.

The information I submit in this appeal is true and complete to the best of my knowledge.
