

## ***What can I do to impact the life of someone over sixty?***

I could send them a letter,  
Or give them a call.  
But a personal visit,  
Is the kindest of all.

Hearing someone's voice,  
Don't get me wrong, is great.  
But there's nothing like a face,  
To see and appreciate.

I could make them something special,  
Like a scarf or some food.  
Just having someone to talk to,  
Could brighten their mood.

It's nice to give to others,  
May it just be time to share.  
It's really nice to know that,  
There are people who care.

You can count on family,  
Always until the end.  
Someone just as valuable,  
Is one you consider a friend.

No matter the person,  
What, where, or who.  
Everyone enjoys,  
To have something to do.

You can't put a price on,  
Making someone's day.  
Even the smallest things,  
Can go a long way.
