# Health & Safety Precautions

**McDaniel College has developed a set of plans, policies and protocols in response to the COVID-19 pandemic.**

Central to this process is the aim of maintaining the safety of all individuals while creating a humane environment in which our students will thrive. McDaniel's plans will be aligned with Maryland's Road to Recovery, the local orders of the Carroll County Government and the City of Westminster. Additionally, the plans will be informed by guidance including but not limited to state, local, and federal public health, education and safety authorities, the Carroll County Health Department, the Centers for Disease Control and Prevention and OSHA.

## **McDANIEL LOCAL SAFETY PLAN**

- Before you leave your home to travel to McDaniel Local, please take your temperature and assess your health. If you have a fever or are feeling unwell, please stay home.
- We are staggering check-in times for students to de-densify the number of people proceeding through the check-in process at one time. We ask that you please abide by your assigned check-in time. Your assigned check-in times will be emailed to the student's McDaniel email address approximately 48 hours before each session.
- We encourage family members to wait at your vehicle or outside while the student proceeds through the check-in process. Students will complete a health screening upon arrival and on the morning of Day 2.
- Signage will be posted to encourage CDC hand washing strategies (For example: Wash your hands with soap and water for at least 20 seconds. If soap and water are not available, then clean your hands with hand sanitizer that is at least 60% alcohol.)
- Face coverings or masks must be worn on campus when in the presence of others in any indoor location, even if social distancing can be maintained. When individuals are outside, social distancing is expected but masks are not required to be worn while outside, unless social distancing cannot be maintained. Students will be asked to bring their own mask or one will be given to them upon arrival.
- Dining services will follow all Maryland Health Department and CDC guidelines, including practicing safety & sanitation measures, implementing social distancing, and posting signage to mark 6-foot distances.
- Housekeeping staff are scheduled to thoroughly clean residence halls before and after each McDaniel Local session. There will also be regular cleaning of the indoor locations occupied during the McDaniel Local program, especially high-touch surfaces.
- As much as possible, we will host activities outdoors and plan for small groups of students to participate in the activities together.

Please complete this document and bring it with you to your McDaniel Local session.
