

Maryland National Guard Tuition Discount

McDaniel College provides a 25% tuition discount for members of the Maryland National Guard (MNG) attending classes at McDaniel College. In order to be eligible to participate, the student must have at least 24 months remaining to serve in the MNG as certified by the member's Company Commander, or have agreed in writing to serve for a minimum of 24 months. This tuition discount cannot be used in conjunction with any other institutional aid provided by McDaniel.

This policy applies to regular tuition charges only. Mandatory and other applicable fees such as registration, application, course fees, and laboratory or appropriate self-support fees, are not included under this policy.

In order to obtain the tuition waiver, The MNG member must submit verification of active status and meet the 24-month requirement. The verification must be on official letterhead and signed by the member's Company Commander. The Company Commander should stipulate that the member would receive a 25% tuition waiver. A new verification letter is required for each term in which the student seeks a tuition waiver.

After the student registers for classes, but before the semester payment due date, the student must submit their verification letter to the Office of the Bursar. The Office of the Bursar will review the waiver and apply the appropriate waiver percentage to the student account as appropriate.

If the MNG member drops, withdraws, or is unenrolled from a class or classes during the semester's refund period, no part of the tuition waiver will be refunded to the student.

If the student is discharged from the MNG for a reason designated by the member's Company Commander, the tuition waiver terminates and the student owes the institution, within 30 days of discharge, the amount of the tuition waived for that semester.
